

DIAMOND LIGHT

Transpersonal training in Esoteric Healing 2020 - 2021

WORKSHOPS Suitable for those people on the spiritual path who wish to gain deeper insight and skills in the Science of Light. Each module is comprised of several workshops, which combine esoteric teachings with personal healing, meditation and group dynamics. This is a practically based training, firmly anchored in the Ageless Wisdom Teachings delivered professionally.

TEXTBOOKS These are available to accompany the workshops and intended for home study – additional cost. Chandra provides a slideshow for every workshop, which is included in the tuition fees.

ESOTERIC HEALING CLINIC

Those Students who intend to practice professionally need to complete all four modules and undergo supervision with Chandra, while working with clients. This is necessary in order to receive the Diploma of Diamond Light Healer. Details provided after completion of Module Four.

DIPLOMA IN DIAMOND LIGHT draws upon Chandra's lifelong experience as a practitioner across many disciplines – esoteric astrology, community education & development, esoteric healing, spiritual education, esoteric psychology, medical astrology, sacred earth healing and sacred women's healing. Her work as an ascension healer and angelic clairvoyant began in 1988. Since then she has taught many aspects of the Ancient Wisdom throughout Australia and Europe.

Her career and personal spiritual journey have provided valuable skills and practical insights, which are shared in these training workshops. All Workshops are supplemented by esoteric textbooks. Her experience and insight into human nature and soul life have been gained by decades of professional work with clients, students and groups.

Chandra has been profoundly enriched by the work of, and deeply indebted to, Lady Ananda Tara Shan, Mother founder of Heart Flow Worldwide www.heartflow.org.
