Medical Astrology

Medical Intuitive

Deep regenerative healing takes place when the root cause of health problems are identified and addressed. Chandra works intuitively, combining medical astrology diagnosis (birth details needed), communication with your body and inspiration from her medical guides, to pinpoint the underlying causes of chronic health issues and difficult to diagnose medical matters. In depth insight into physical, emotional and mental health is gained from a longer comprehensive session. Esoteric healing may also be included in these sessions. **Up to 1 ¼ hrs - \$175 - \$275**

Ascension Healing

Chandra works inspirationally to heal on many levels in co-operation with your soul. Such healings can be transformative, blissful, releasing and creatively invigorating. Chandra uses creative visualization, intuition and/or regression to access and move beyond inner blockages, to tap into the source of long standing personal or relationship issues. Your soul light then assists in moving back into balance.

60 mins. \$120 90 mins. \$150
