To successfully complete the Practitioner Degree, involves 15 hrs of client supervision during healing sessions, undertaken in person or online

Diamond Light Healer Training draws upon Chandra's lifelong experience as a practitioner across many disciplines – esoteric psychology and astrology, community education & development, esoteric healing and past life therapy, spiritual education, medical astrology, disability advocacy, sacred earth healing and sacred women's healing. She began her studies in Traditional Astrology in 1977 and continues to study, consult teach and empower others. Her work as a spiritual healer and angelic clairvoyant began in 1988. Since then, she has taught many aspects of the Ancient Wisdom throughout Australia and Europe.

Her career and personal spiritual journey have provided valuable skills and practical insights, which are shared in these training workshops. Her experience and insight into human nature and soul life have been gained by decades of professional work with clients, students and groups.

Chandra has been profoundly enriched by the work of, and deeply indebted to, Lady Ananda Tara Shan, Mother founder of Heart Flow Worldwide www.heartflow.org.
